Subject: Diamond Alkali Site - Meeting Follow Up

Sarah:

Hope you are well. I am following up on our meeting that took place a number of weeks ago. We have been assembling the information that was discussed and are hoping to get it to you by early next week.

Has EPA made any progress on the items that we discussed? Also, is the data available from EPA's recent field work (from late 2013)?

Please advise.

Regards,

Bill
